Report Time Frame and Scope

As required by statute, LHDs funded under the Health Care Funding Act submit a report to DHHS by October 1, for inclusion in the full Annual Report submitted by DHHS on December 1. This Annual Report covers July 1, 2018 to June 30, 2019 and includes brief descriptions of *selected* activities, services, and programs provided by the LHDs related to the Three Core Functions and 10 Essential Service of Public Health.

LHDs supported through the public health portion of the Nebraska Health Care Funding Act, are working across their service areas to improve and protect the health and wellbeing of local communities. Only a few examples of the extensive range and number of activities and programs provided by each LHD can be covered within this report. **In their Spotlight Stories, LHDs share more detailed examples of the type of work happening across the local public health system.** Visit LHDs' individual websites (included in each report) to learn more about the full scope of their work.
