## **Sponsorship Opportunities**

### **Why sponsor?**

Public Health in Nebraska is transforming. At the state and local levels, individuals and organizations are working together, in new ways, across sectors, to make the Good Life a *healthy* one for all Nebraskans. The statewide public health conference will be the highlight of Public Health Week 2020.

- **Connect with over 250 public health system leaders and influencers** working locally and at the state-level to improve health and wellbeing for Nebraskans in all **93 counties**.
- **Showcase your commitment to the health of whole communities.** Take advantage of sponsor exhibit and presentation opportunities to highlight your message and work.
- **Demonstrate your connection to state and national public health leaders**—including the **Public Health Association of Nebraska (PHAN)**, the **Nebraska Association of Local Health Directors (NALHD)**, **The University of Nebraska Medical Center's College of Public Health**, and the **Nebraska Medical Association**.

Please contact the Nebraska Association of Local Health Directors (NALHD) at [nalhd@nalhd.org](mailto:nalhd@nalhd.org) or 402-904-7946 to learn more or discuss other options for showing your commitment to the health of Nebraskans.
