Three Rivers Public Health Department

2022 Profile

Contact: Terra Uhing, Director (402) 727-5396 terra@3rphd.org www.threeriverspublichealth.org

Three Rivers Public Health Department is locally governed and serves all 80,310 residents in Dodge, Saunders, and Washington Counties.

Our Priorities

Public health priority areas included in our current Community Health Improvement Plan (CHIP):

Mental and behavioral health

Healthy lifestyles

Access to services

Prevention and screening

Addressing risky behaviors

COVID-19 Local Progress

Over the last two years, health departments have been the frontlines of the COVID-19 response.

Vaccinated & Boosted as of March 2022

30.7% Three Rivers

30.7% Nebraska

29.2% National

Source: Centers for Disease Control COVID Data Tracker, as of March 25, 2022

What Influences Health? **Social & Economic Factors** 40% 10% **Physical Environment** 30% **Individual Health Behaviors Health Care** 20%

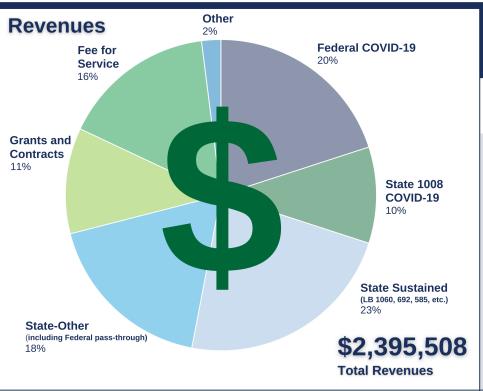

80% of what influences health and wellbeing occurs outside of the clinical care setting - in homes, workplaces, schools, and communities.

Local health departments (LHDs) are Chief Health Strategists - partnering across sectors to promote safety, prevention, and wellness to address that 80%.

Core Functions & 10 Essential Services of Public Health

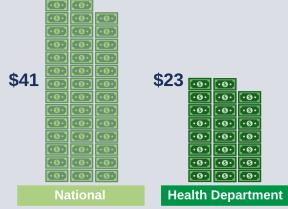

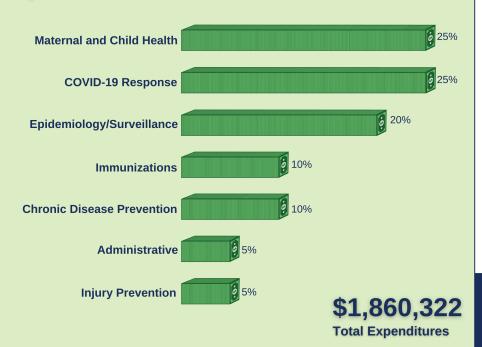

Worth the investment.

Every **\$1** invested in prevention **saves \$5.60** in health care costs!

Per Capita Expenditures

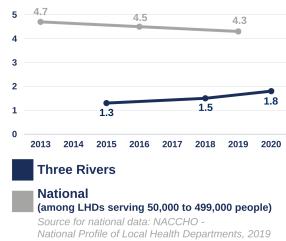

Expenditures

Workforce Shortages

FTEs per 10,000 people

Three Rivers Public Health Department has had **fewer staff per capita** than similar-sized health departments throughout the nation.

Our Team

16 Staff 15.7 FTEs
