## What Influences Health?

80% of what influences health and wellbeing occurs outside of the clinical care setting - in homes, workplaces, schools, and communities.

Local health departments (LHDs) are Chief Health Strategists - partnering across sectors to promote safety, prevention, and wellness to address that 80%.

## Core Functions & 10 Essential Services of Public Health

## Revenues

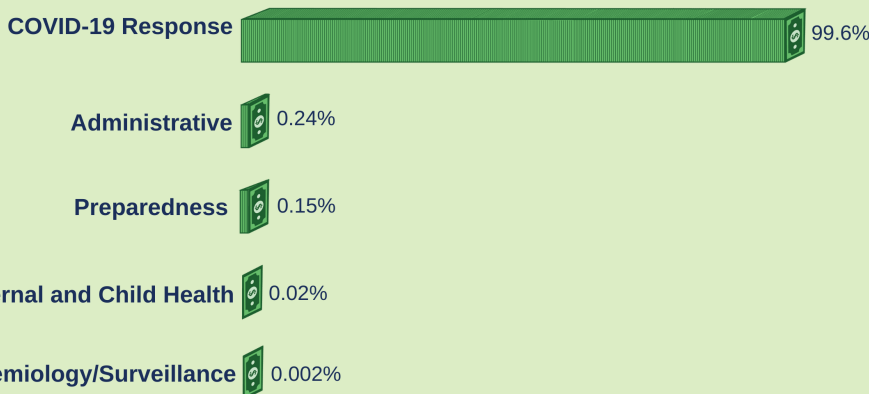

## Worth the investment.

Every **\$1** invested in prevention **saves \$5.60** in health care costs!

### Per Capita Expenditures

## Expenditures

**\$1,442,800**  
Total Expenditures

## Workforce Shortages

FTEs per 10,000 people

**Sarpy/Cass**

**National**

(among LHDs serving 50,000 to 499,000 people)

Source for national data: NACCHO - National Profile of Local Health Departments, 2019
